Council gives go-ahead at \$65,000

COUNCIL OF ANSON, HINDON & MINDEN HAVE HEAVY AGENDA AT REGULAR MEETING WEDNESDAY

The Council of the Township of Anson, Hindon and Minden met Wednesday, November 10, 1971. Reeve Charles Brandon was in the chair with councillors R. Booth, R. Gorrie, and D. Pritchard also present.

Mr. Ron Harrison, P. Eng. was on hand to present the preliminary plans and estimates for the new proposed Community Centre. Representatives of the Highlands Recreation Committee were also present as observers.

R. Booth, R. Gorrie: That this Municipality proceed with the construction of a new community Centre and ice rink as presented by Mr. Ron Harrison, P. Eng. at the estimated cost of \$240,000. The sum of \$65,000 shall be used from current funds and the balance shall be raised from debenture issue. Carried.

The Clerk was directed to present the estimates and proposals to the following departments and agencies for approval in principle.

1. Department of Agriculture and Food. 2. Dept. Energy and

Natural Resources. 3. Ontario Municipal Board. 4. Dept. of Municipal Affairs. 5. Ontario Municipal Improvement Corp. 6. Other relevant agencies.

R. Booth-D. Pritchard: That the insurance carried on the Minden Community Centre be reduced to \$10,000.00 with the present \$4,400.00 on contents be retained for the present. Carried.

Petition was received from various residents in the municipality regarding the condition of the Scotch Line Dump. Petitioners are to be advised that all the municipal dumps are now under review.

Letter was received from Mrs. Shirley Muller regarding drainage adjacent to her properties at the end of N. Water Street. Council visited the site and instructed the Clerk and Road Superintendent to review the matter and recommend suitable arrangements.

D. Pritchard, R. Booth: That this Council agrees to provide maintenance service on the County no. 1 and the Deep Bay Road as outlined in the letter

from the County of Haliburton dated October 25, 1971. Carried.

R. Booth-D. Pritchard: That we accept, with regret, the resignation of Mr. George W. Finley from the Anson, Hindon and Minden Committee of Adjustment and the Land Division Committee of the County of Haliburton as this municipality representative thereof. Carried.

R. Booth-D. Pritchard: Be it resolved that Mr. Chas. H. Campbell of Minden be appointed to fill the vacancy caused by the resignation of Mr. George Finley on the Committee of Adjustment. Carried.

R. Booth-R. Gorrie: That this Council do recommend to the County of Haliburton that Mr. Chas. H. Campbell of Minden be appointed to fill the vacancy caused by the resignation of Mr. George Finley for the County Land Division Committee. Carried.

R. Booth-R. Gorrie: In acknowledgement of the apparent opinions of residents in the vicinity of the Red Umbrella Inn relevant to the diversion of part of Highway 35, this Council hereby agrees and supports such opinions and further agrees to incorporate into the municipal road system that portion of Highway 35 as outlined by the Department of Transportation and Communications on the map attached to their correspondence dated October 20, 1971 subject to the elimination of any dead-ends and the looping of the present Highway 35 section with the proposed diversion. Carried.

The Highlands Recreation Committee received a resounding commendation for its efforts by the Municipal Council at their meeting of November 10th. A resolution was passed by the Council approving the new Community Centre when the fund reaches \$65,000.

The vast majority of local residents and a large proportion of cottagers, cottages associations, camps, lodges and other visitors worked and pledged

themselves to the fullest in reaching the present total of \$60,500.00.

A number of donors are expected to lend support in the next two weeks. Members of the Committee, excited with the prospect of final success, urged anyone who has not donated to date, to consider it now when the fund could go over the top. Every dollar and every lay brings the project closer to total success.

OBJECTIVE \$75,000 — Total To Date \$60,501.96

Each week a list will appear in this paper of those who have donated to the Recreation Centre Fund.

Winterized 3 bedroom cottage, modern kitchen, large livingroom, sundeck, on deep partly wooded lot, sand beach, year round access. \$17,500.

MINDEN ACREAGE

121 wooded acres on township road, beaver pond excellent hunting. \$5,900.

HERE AND THERE

with Fenwick Finch

The 1972 Winter Carnival is going to need all the help they can get — with no arena to build the Carnival around the problem looked almost insurmountable but the Committee felt that, rather

than cancel it for this year and lose the continuity they do their best to hold it together.

So, from time to time as I get more information on their plans I'll pass it on to you — be sure and give them the help they need — afterall, it's a Community Carnival.

I've had a couple of calls and some personal interviews about the Highway 35 Scenic society.

It seems the Society withered on the vine and passed into the limbo about three or four years ago. Too bad, they did a good job while they had everyone interested

Different people have asked me "What's with this Howland Jct.?" Just this — everyone has some sort of a place either real or in fantasy where they can go when real life closes in on them.

Years ago Fred Griffin and Gregory Clark had the well-known "Bird's Eye Center."

Well, I have, "Howland Jct." Sometime in the next week or so I'll tell you more about the place, the Hotel and Tap-room and the people who frequent it. From time to time I hope you will enjoy visiting there with me and maybe some of the ideas discussed by the residents will make you feel a little better.

Looking through the December issue of "Playboy" magazine I find that Coboconk was mentioned in an article.

The article was by Bruce McCall and Brock Yates and was picturing and describing various makes of cars.

The car made in Coboconk was the "Furgo Air Slicer Roadplane, 1949." The car designer was one, Art Furgo, and his car was short lived. — " So it was that one gray March morning, strange silvery shape roared magnificently out of an alley in the sleepy hamlet of Coboconk, Ontario and smacked into the stout brick side of Whatley Brothers Feed Store."

That ended the ill-fated "roadplane" and to my knowledge there never has been another attempt at building cars in Coby.

Had a nice visit with my good friend Les Prentice last Sunday night. After a little over 25 years on the mail route Les. has packed it in. I know his many friends wish him a long, healthy and enjoyable retirement. Everyone on Les's route spoke highly of his co-operation and his willingness to assist them in many ways.

There was a toastmaster introducing the speaker of the evening. "I'm sure that Mr. Henshaw of the Soil and Fertilizer Society will give you a pleasant half hour. He's just full of his subject."

Had quite a discussion on reincarnation last week — since I've run out of space for this week I'll hold it over until next week. In the meantime — drive carefully, whether you believe in reincarnation or not, remember this you gotta be dead first — don't die on the highway. Drive carefully.

Fenwick

COUNTY SCHOOL BOARD BRIEFS

Mr. R. J. Curry, Chairman of the Board of Governors for Sir Sandford Fleming Community College, and Mr. Donald A. Popple, Co-Ordinator of the Haliburton Highlands School of Fine Arts, made presentations to the Board Mr. Popple began by giving a brief history of the progress of the School of Fine Arts in Haliburton County. He pointed out that during the summer of 1971 the School offered 16 programmes and had an enrolment of 355 students. The registration fees paid the instructors' salaries of approximately \$8,000 with Sir Sandford Fleming underwriting the administrative costs. He stated that the Haliburton Highlands Guild of Fine Arts does a very worthwhile work in connection with the School, since its membership provides representation on the Advisory Committee of the School of Fine Arts and also provides local involvement in the total programme. He felt that the School had given Haliburton County a great deal of advertising, for

example, in the past year the Toronto Globe and Mail has provided two full pages of pictures and commentary on the School. Mr. Popple pointed out there are six other community colleges in Ontario who are involved in the operation of Schools of Fine Arts and that in his opinion Haliburton County had a great advantage in the beauty of our setting. He then showed slides of Minden, Haliburton and activities at the School. The members of the Board were impressed with the quality and variety of work being done. Mr. Popple concluded his presentation by extending thanks to the members of the Haliburton County Board of Education for providing facilities of the Haliburton Highlands Secondary School as a location for the School each year. He stated that without this contribution of the taxpayers, there would have been no

School of Fine Arts.

Mr. R. J. Curry then outlined the building programme of Sir Sandford Fleming Community College. He pointed out that Mr. Sutherland, President of the College, along with the College architects Messrs Thom and Smith, and Mr. D. Louckes, a member of the Board of Governors, looked at the Haliburton County Board of Education property in the area of the secondary school. These representatives were very impressed with this location and were enthusiastic about establishing some kind of permanent buildings for the School of Fine Arts. Of course, as Mr. Curry stated, at the present time there is no money available, but as both the College and the School of Fine Arts progress, these things could come about. In two or three years, Sir Sandford Fleming will have some portable classrooms free because of building permanent buildings in

(Continued on page 3)

A.R.D.A. SUPPORTING WINTER WORKS PROJECTS

Several Winter Work Projects supervised by the Ontario Department of Lands and Forests will be financed from Federal-Provincial sources through the Agricultural and Rural Development Agreement (A.R.D.A.). These projects will for the most part employ rural people in forest stand improvement work. This is essential work needed to provide the more valuable tree species with a better opportunity to develop through eliminating competition from poor species, dead or diseased trees and trees which have not developed properly.

H.F. Crown, Director, A.R.D.A. Branch, Ontario Department of Agriculture and Food has placed a high priority on providing these additional employment opportunities for rural people and with the co-operation of the Ontario Department of Lands and Forests projects have been approved for Renfrew, Hastings, Haliburton, Peterborough, Victoria, Parry Sound and Nipissing. Full time employment will be provided to approximately 200 men from late November through March.

In addition a number of projects designed to improve overwintering conditions for deer herd will also be undertaken by the Ontario Department of Lands and Forests in co-operation with A.R.D.A. These projects will be located in Renfrew, Frontenac, Hastings, Peterborough, Lennox and Addington, and Haliburton and will provide additional employment opportunities.

Interested applicants should apply through their nearest office of the Ontario Department of Lands and Forests, A.R.D.A. office or Municipal office.

COUNTY BOARD BRIEFS

(Continued from page 2)

Lindsay and it is a possibility that the summer of 1974 might see the School of Fine Arts situated in their own temporary quarters. The property that is designated for the School of Fine Arts lies west of the bridge on the narrows between Head and Grass Lakes.

The members of the Haliburton County Board of Education then passed the following resolution:

'Be it resolved that this Board inform Sir Sandford Fleming College that it is most interested in seeing the college have a campus at the Board's property in Haliburton, and that at such time as the college has some concrete proposals to present, this Board would enter into a joint meeting to ensure the presence of the campus on a satisfactory long-term lease basis.'

FLYING TEACHER

Very few people know we have in our midst here in Minden an energetic, courageous, attractive young lady, 25 years of age who spends her time, when not teaching, flying airplanes at the

Lindsay Flying Club — Miss Ruth Hirstwood is the gal we are talking about. Her full-time job is educating the grade 4 students at the Archie Stouffer Public School.

Miss Hirstwood has been flying for one year now and received her license recently after some 18 weeks of ground school and 45 hours of flying time. Twenty-five pupils were in her class, four of which were women, but our Miss Hirstwood was the only woman to complete her training and pass her license. This makes her the only woman pilot in Lindsay and to my knowledge the only woman pilot in Haliburton County.

Those lucky ones in her class have had a real experience, in October she treated them to an afternoon of flying. Four other pilots volunteered their time and assisted in taking her pupils up for a ride; these were Jerry Loan (Flying Instructor, Lindsay Airport), Doc. Collison, Ted Barnette and Bob Dixon.

It was a great experience for the children, as they all anxiously waited their turn. A few of them even got up for two rides. It has been something for all of them to talk about since, and most of them will tell you now they want to be pilots.

Mr. Loan gave all the children crests from the Lindsay Airport, and the kids rounded out the day with hot dogs and pop.

Miss Hirstwood flies almost every weekend, and tells me she does everything at the Airport from taking up passengers for rides to pumping gas. She has had a few thrilling moments in the air, but is more than a capable pilot and can handle herself in any tricky situation that might come up while flying.

Because of her great enthusiasm for flying, and the terrific amount of energy she packs in her petite frame, she is now working on her Commercial license. There is very little doubt in my mind that she will accomplish this.

Ruth Hirstwood is pictured here with four of her pupils, Craig Cowen, Tim Sharpless, Jill Arbuthnot and Lou Ann Cowen.

LETTER TO THE EDITOR

St. Germain's St.
Minden, Ont.
November 9, 1971

Dear Editor:

We have spent our summers for the last 14 years at our cottage on Horseshoe Lake, and having found the people of Minden, particularly the trades people so friendly, and this part of Ontario so beautiful, we have now become permanent residents of this town, having bought the residence of the late James Trumble.

We find the town is really kept clean also the public washrooms are a credit to the town and are a few of the extra facilities, not found in a lot of other towns. So a big bouquet to those people responsible for all this.

Keep up the good work and I hope the local people realize what they have here and the towns potential for growth, due to its fortunate geographic position.

I would suggest to the town council that they never consider metering parking, because apart from the aggravation of this, the cost of collecting the small revenue also necessitates an increase in the town's employees to do this collecting.

I hope the editor keeps hammering away at local issues, as in the past, particularly to the Department of Lands and Forests, for a more intensive stocking of our lakes, as this is one of the attractions, to bring more tourists to this area.

This is my experience as a deputy game warden operating out of Pickering, fishing the local waters and the Arctic Watershed from Cochrane west to Duluth Minnesota.

Why can't we have some splake and Kokinee salmon put in our lakes, as I believe the biologists of the Department would find the waters here most suitable.

Personally I find a one pound trout on the end of a "King Either" shooting line on a fly rod more exciting than a 4 pound "blackie" on the end of a spinning rod.

Best of luck to you Mr. Editor in your drive for a better Minden and also your Minden Progress Paper.

P.S. Please find enclosed \$3.00 for a year's subscription to your newsey little paper.

Stan Briggs

NOTICE

POSTING OF VOTERS LISTS, 1971

Municipality of the Township of Lutterworth
County of Haliburton

Notice is hereby given that I have complied with Section 9 of the Voters List Act and I have posted up in my office at Hwy. 35, 3 miles south of Minden on the 4th of November, 1971, a list of all persons entitled to vote in the said municipality at municipal elections and such list remains here for inspection.

I hereby call upon all voters to take immediate proceedings to have any errors or omissions corrected according to law. The last day for appeal being the 18th day of November, 1971.

Dated this 4th day of November, 1971.

MINOR HOCKEY —

Minden Novice 5 Cannington 0

The Minden Novice travelled to Cannington on Thursday, November 10 and defeated the Cannington Novice team convincingly 5 - 0. Scoring for the Minden team; Jim Hatkoski with 2, Mark Greir, Brian Shaw and Tom Gough with singles.

Minden Novices 2 Cannington 1

On Sunday, November 14, the Minden Novice had a much tougher time beating the Cannington team, even though they badly outplayed them. With only 45 seconds left in the game, Tom Gough scored the winner for Minden. Mark Greir got Mindens first goal.

The Novices' next game will be in Beaverton on Friday, November 19, at 7 p.m.

The Minden Novice scoring leaders are:

	A.	G.	Pts.
Tom Gough	3	3	6
Mark Greir	1	4	5
Brian Shaw	2	1	3
Jim Hatkoski	0	3	3
Paul McKenzie	2	1	3
Garry Harrison	0	1	1
Terry Harrison	1	0	1
Rick Beeney	1	0	1

Haliburton Midgets 5 Minden 2

On Sunday evening Minden Midgets tangled with the Haliburton Midgets in Haliburton and played a great game despite the 5 - 2 score. Young Bill Jackson was a standout on the Minden team, scoring one goal but with a few breaks would have had two or three more. Royce Miller scored the other Minden goal.

The Minden Midgets open their season on Sunday, November 21st at 6:30 p.m. against the Haliburton Midgets. Their next game will be against the Fenelon Falls Flyers in Fenelon Falls on Friday, November 26th at 8:30 p.m.

A great deal of the Minden Novices success to date has to go to their goalie Mike Bird who has played brilliantly in the first three games giving up only 1 goal while his mates have countered with 13. Keep up the good work Mike.

C.F.L. FOOTBALL —

Argos ahead of Hamilton 23 - 8 at Halftime

Argos go into the second half of their two point total final with the Hamilton Tiger Cats at CNE stadium with a 15 point lead on Sunday afternoon. Anyone who watched the game on Sunday will agree that the Argos are very fortunate the Cats weren't that interested in winning that first game. They should have had no less than fifteen points or a maximum of twenty-eight points in the second quarter and instead came away with a meager three points. My prediction that the Argos would win the total point final by three points seems ridiculous at this time with the possible point spread being as much as thirty-three points.

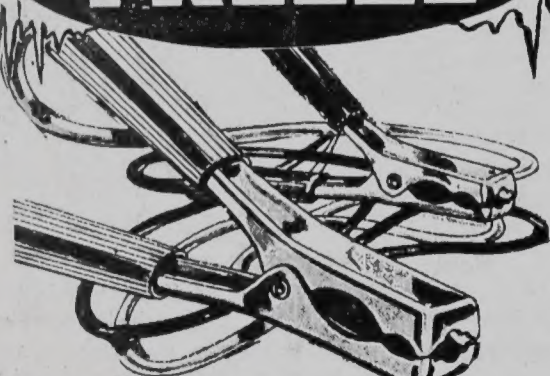

Calgary defeats Saskatchewan 30 - 21

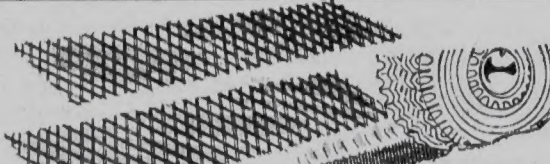

Calgary won the first game against Saskatchewan 30 - 21 primarily on four Regina interceptions, one run back of 77 yards for a touchdown and a George Reed fumble that set up the go ahead touchdown. I still feel the Saskatchewan Rough Riders are the best team and will win the next two games and advance to the Grey Cup.

PREDICTIONS OF THE WEEK —

Wed - Toronto over Los Angeles 7 - 2. Sat - Toronto over California 4 - 2. Sat - Montreal over Philadelphia 5 - 1.

MAN SHOT HUNTING ALMOST MISSED
 It's hard to congratulate oneself when one has been shot but a Toronto man, hunting in Haliburton, is doing just that.
 The man who shot him almost missed.
 Vincent Macciocchi, 40 of Parsons St., Toronto, was hunting near Davis Lake on Tuesday of last week when a nearby hunter let fly with a shotgun, loaded with No. 9 shot.
 Two of the pellets struck Macciocchi in the wrist. Macciocchi spoke to the man who shot him but failed to get his name, reported Minden O.P.P.
 Later he went to Minden Red Cross Hospital for treatment. He was released later but police didn't know whether or not he went back into the woods to hunt.

SKI SLOPE CASH ASKED
 Dysart Township has applied to the Agricultural Rehabilitation and Development Administration (ARDA) for a grant to develop a 50-acre Haliburton ski area.
 The area was recommended in a study prepared by Knox Martin Kretsch Ltd., of Bramalea, a firm of consulting engineers, planners and landscape architects.
 Purpose of the project is to increase income and employment opportunities in the area.

CHRISTMAS SEALS

for the purpose of nominating fit and proper persons for the offices of;

1 REEVE

1 DEPUTY-REEVE

3 COUNCILLORS

for the Township of Lutterworth, of which all electors are hereby required to take notice and govern themselves accordingly, and if a greater number of candidates than required to fill the said offices, are nominated and make the required declarations, polls will be open in the following places:

LUTTERWORTH MUNICIPAL OFFICE

in the said Township of Lutterworth on December 11th, 1971 and will be open from 9:00 a.m. until 5:00 p.m. and no longer.

It should be noted that when a proposed candidate is not present at the nomination meeting, his nomination paper is not valid unless there is evidence satisfactory to the returning officer that the proposed candidate consents to be so nominated.

Given under my hand this 5th day of November, 1971.

Elinor Burke,
Returning Officer

Keeping Our Best Friends

If you're a snowmobile buff, you know there are few recreation pleasures as exhilarating as a spirited ride through the snowbound countryside.

Yet like most pleasures, a few people always seem to go beyond being exhilarated—to the excesses of bad conduct.

Unfortunately, the thoughtless acts of a few get more attention than the outstandingly good conduct of the majority. And, in addition to the bad publicity for snowmobiling, there is the possibility that a little mis-conduct will lead to restrictive laws against all snowmobilers.

To avoid this possibility, the recreation experts at Mercury snowmobiles suggest one simple, easy-to-remember rule:

Be a friend on your snowmobile!

Putting a rule like this into practice would seem to require just a minimum of common sense. For example . . .

If you wouldn't drive across another's yard or farm at breakneck speed in a car, don't do it on a snowmobile.

If you would object to a neighbor running his power mower at 2 in the morning, consider how he'll feel about your snowmobile at the same hour.

If in a nutshell, you object to the bad manners of a few others in their favorite sport—boating, golf, hunting, skiing or whatever—conduct yourself so they cannot feel the same about snowmobilers.

Some of snowmobiling's best friends will continue to be those men in the state capitals who have done so much to stimulate this new sport.

NOTICE OF ANNUAL MEETING THE LIQUOR LICENCE ACT

Licensing District No. 7

Take Notice that the Annual Meeting of The Liquor Licence Board of Ontario for Licensing District No. 7, comprising the Counties of Durham, Ontario, Peterborough, Victoria and the District of Haliburton, will be held at Royal Canadian Legion Auditorium, 217 Murray Street in the city of Peterborough in the County of Peterborough on Wednesday the 1st day of December, 1971, commencing at the hour of 2:00 o'clock E.S.T. in the Forenoon at which time it will hear and determine applications for the renewal of licences in accordance with The Liquor Licence Act, and the Regulations thereunder.

And Further Take Notice that any person who is resident in the licensing district and objects to any application shall file his grounds of objection in writing with the Deputy Registrar at least ten days before the meeting.

H. J. Browne

COMMITTEE ON THE COSTS OF EDUCATION

The Committee on the Costs of Education in the Elementary and Secondary Schools of Ontario has been appointed to undertake a comprehensive review of the costs of education in relation to the aims and objectives, programs, priorities and the like, of the educational system, to evaluate existing programs in the light of experience with them, the requirements of the present, and in terms of the expenditures of money for them; and to recommend policies as the committee may determine.

The Committee will welcome assistance from representatives of groups, organizations, and associations and from the public through the provision of information, comments, and suggestions in areas such as but not limited to:

— the use of the financial resources being provided for elementary and secondary education in Ontario in the attainment of the educational goals;

— the ability of the various differentiating factors in the legislative grant plan such as course, location, level (elementary and secondary), and type (ordinary and extraordinary) to generate funds in proper balance consistent with the needs for the attainment of desirable educational objectives;

— the implications of ceilings on expenditures by local school boards, including the effect on the decision-making and autonomy of these boards;

— the various aspects of school programs with particular reference to innovations and new concepts as, for example, the "open plan" organization, technical and commercial programs and use of educational technology.

It will be appreciated if submissions could be made as soon as possible but not later than 31st March, 1972. They should be sent to:

Executive Director
Committee on the Costs of Education
Room S-944
252 Bloor Street West

UN-NAMED HUNTER FOUND WEDNESDAY

Search parties organized by the OPP Detachment here and the Department of Lands and forests found a missing hunter in the Harcourt Park area, north of Wilberforce last Wednesday.

The man, whose name was not given, failed to return to his camp on Tuesday night after a day in the woods.

Police reported that he was found shortly before noon Wednesday after spending the night in 40-degree temperatures.

ABOUT THE TOWN

With Jeanne Sears

Strikes are again in the news — with some Postmen out on Monday and Bell Telephone employees as well. It appears everyone must join a Union.

* * * *

Edwin Ward, son of Mr. and Mrs. Nelson Ward, graduated November 7th from Waterloo Lutheran University with his B.A. degree and is VicePrincipal of Confederation School in Peterborough. It is very pleasing to receive these letters giving information of former residents.

* * * *

There were three lucky ladies at Rotary Bingo last week when Mrs. Celia Rumsey and Mrs. Wm. Baker split the money for the Snowball of \$104.00 and Mrs. Rita Hodgkinson won \$50 for Round the Outside.

* * * *

This week saw the Fiftieth Anniversary of the discovery of Insulin for diabetes. It is amazing the new discoveries since the Second World War and another Heart Transplant was performed on the weekend. If only there was a definite cure for Cancer.

* * * *

Mrs. Mark Vasey, while returning home from a holiday had the misfortune to fall and break her hip and will be in bed for several weeks yet until she is able to return home. She is in Room 458 at Macon Hospital, Macon, Georgia, if you would like to cheer her up with a card or note.

* * * *

At the Mini Card Party last Thursday, winners were for euchre Joanne Beattie and Hilda Harrison and for cribbage Peggy Brown and Audrey Dunn.

* * * *

Do you think this is right — The perfect gift for a man who has everything, would be a girl who knows what to do with it.

* * * *

Congratulations to the newlyweds Mr. and Mrs. Cleveland Stamp (nee Shirley McNeill) whose wedding was Saturday.

* * * *

Patients at the local hospital on Monday included Mrs. J. Warder and baby girl, Mrs. Andrew Hutchison, Master Peter Strong and Mrs. Charles Francis. In Ross Memorial is Mrs. Frank Adams and new baby boy.

* * * *

Adele and Ray Rivers have a new baby boy, another grandson for Maud and Arnie Coulter and for Alice and Wes Rivers.

* * * *

Hint for moving — Pack dishes or other breakables in dish clothes, face cloths, towels or other linens, no need to wash dishes when you unpack and no messy papers either.

* * * *

The new barber nicked a customer and offered to wrap his head in a towel, to which the customer replied, "No Thanks, I'll carry it home under my arm."

* * * *

Damp weather seems to have followed the snow and there are many sick with the bad cold which is going around, hope all are better soon.

Cheerio until next week.

by William J. Martin

Mr. Martin serves as special consultant to Avco Financial Services. All questions should be sent to him at P.O. Box 5875, London Ontario, Canada. Those containing a name and address will be answered in this column or by direct return mail. No names will be used in print.

OBITUARY

DAVID McGUIRE

Friends were saddened to hear that the Reverend David R. McGuire died suddenly on Saturday, November 13. The funeral service was held Tuesday morning at Saint Mary's Church, Richmond Hill, where he had served as Rector since 1969. The early years of David's ministry were in the Parish of Haliburton from 1957 to 1959. He moved from here to the Church of Christ the King in suburban Toronto.

David's special ministry in the Church was expressed through his interest and talent in Church Music. He was a member of the joint Committee which prepared the new Hymn Book of the Anglican and United Churches of Canada (just printed). Many recall his avid interest in photography.

In lieu of flowers, friends were asked to make donations either to the Chapel Restoration Fund of St. Mary's Anglican Church, Richmond Hill, or to the Primate's World Relief and Development Fund through their local Anglican Church.

David leaves his wife Cherie, and two sons Mark and John (nine and seven).

This prayer was used at the burial service: Almighty God, of a Father of all mercies, and giver of all comfort: Deal graciously, we pray thee, with those who mourn, that casting every care on thee, they may know the consolation of thy love; through Jesus Christ our Lord. Amen.

Whether you like it or not, the holiday season is near at hand and that means a lot of shopping and some pretty hefty spending by most of us. As with all spending, there are right ways and wrong ways to go about it.

The right way is to spend that money now. Shopping early can really save a lot of money. I'm sure there are many smart shoppers that have already finished their shopping, in fact.

The big problem with holiday spending is that you know there are so many purchases you must make and of course you can't put it off for too long. Usually you find yourself scurrying around at the last minute trying to complete your shopping. You're so desperate to buy costs begin to take a back seat.

Don't fall into that trap. Get busy now. Do some advance planning and you can get through the busy days ahead with a minimum of bother and a minimum of spending.

Do you have a gift list? Do you even know how many

people you need to buy gifts for? Well, make that list out now. Don't let another day go by.

Write all the names of your gift recipients down on a sheet of paper, then list the total amount of money you would like to spend leaving enough for some holiday entertaining.

Now break that budget up among the various names and stick to your spending plan by getting that shopping done.

You'll find that merchandise stocks are high now and the crowds are somewhat lighter than during that almost traditional last minute crush. You will be able to shop around and not frantically grab the first thing you see just to buy something.

So for your own enjoyment as well as that of your gift recipients do some planning now. Make out a list and a budget and start to get that shopping accomplished before that last week. You have enough other things to do then so why not get the shopping done ahead of time so you can enjoy the holidays even more this year? Best of all, when you stick to your budget, you won't start 1972 off in debt.

Canada works

when we work together.

The Federal Government is putting 498 million dollars to work, through a series of specific programs, to help create jobs for Canadians. This message is designed to give you program details.

WORKING TOGETHER WITH THE INDIVIDUAL

We're encouraging you to act on your own initiative or through local government, local organizations and service groups to come up with ideas for our Local Initiatives Program. For example, you may wish to develop a day care centre in your town or any number of services that will make your community a better place.

There's also a Training-on-the-Job Program that will work through business and industry to expand opportunities for those who are unemployed or have little work experience.

If you have some basic experience, we've extended the Canada Manpower Training Program to help provide you with additional learning.

WORKING TOGETHER WITH BUSINESS AND INDUSTRY

There's a program of tax incentives or direct payments to employers to encourage them to add trainees to their staffs through the Training-on-the-Job Program. This will help the trainee get work experience that he can use in many jobs.

WORKING TOGETHER WITH THE MUNICIPALITIES

The foundation of all municipal activity is the previously mentioned Local Initiatives Program. This will help you support and spur community projects that will give jobs to people in your community who find themselves unemployed.

WORKING TOGETHER WITH THE PROVINCES

Obviously, the municipal Local Initiatives Program will tie in closely with the Provinces.

So will our Special Development Loans Program that will finance new capital works projects. We'll be speeding up mortgage approvals through the Central Mortgage and Housing Corporation to get homes, student housing and sewage treatment projects under way.

We also will be making loans to exhibition commissions, boards and associations to get you working on multi-purpose fair and trade buildings.

WORKING TOGETHER WITH FEDERAL WORKS

On our level, we'll be working to give you more job opportunities on maintenance and improvement activities on Federal buildings; transportation facilities; forest and park projects; and many others.

WHERE IT ALL WORKS TOGETHER

The job starts at your Canada Manpower Centre. For advice and assistance on any of the programs that you feel apply to you or your community, contact your local Canada Manpower Centre. They'll be happy to help you with all the information they have.

When Canadians get involved together, Canada works.

MINUTES OF COUNCIL MEETING TOWNSHIP OF STANHOPE

Moved by Ken Whitney, seconded by Elvin Johnson, that the minutes of October 6, 1971 meeting be adopted as read. Carried.

Moved by Ken Whitney seconded by Jim Elder, that the Stanhope Council purchase a wreath from the Legion for the service on Nov. 11, 1971. Carried.

Moved by Jim Harrison, seconded by Jim Elder, that the Township of Stanhope accept the bid of Mr. Fred Olan, for fourteen hundred and fifty dollars (\$1,450.00) for part of Lot 8, Con 5, as advertised. Carried.

Moved by Elvin Johnson, seconded by Jim Elder, that the Clerk contact Mr. Harold Woods advising the road which he inquired about, will be kept open this winter, providing all circumstances regarding this matter, allow the Township to perform this maintenance. Carried.

Moved by Jim Harrison seconded by Ken Whitney, that the Clerk be authorized to contact Mr. Chapman of the Dept. of Transportation and Communications to re-erect the Bay Shore Road Sign, South on Highway 35 to the first entrance on right. Carried.

Moved by Jim Elder second-

ed by Jim Harrison, that the Clerk inform the District Municipal Engineer, that the road which he previously inspected on Lot 25 Con 5 in this Township, being a road the Township proposes to assume, is ready for a final inspection. Carried.

Moved by Ken Whitney seconded by Elvin Johnson that the Clerk contact Mr. Chapman regarding the culvert by Mr. Doug Adamson's property on Highway 35. Carried.

Moved by Jim Elder seconded by Elvin Johnson that the Clerk contact Mr. Arthur Bonham, advising that the said road allowance on Concession 3 is still an open allowance. Carried.

Moved by Jim Elder seconded by Ken Whitney that the Council of the Township of Stanhope, petition the Department of Transportation and Communications for an interim subsidy payment on expenditures made in the year 1971, under the Highway Improvement payment on expenditures

made in the year 1971, under the Highway Improvement Act. Carried.

Moved by Jim Elder seconded by Jim Harrison, that the Council of the Township of Stanhope approve of the preliminary plan of the proposed development plan of Hawk Valley Park, as prepared by Totten, Sims and Hubicki, Consultants. Carried.

Moved by Ken Whitney, seconded by Jim Harrison, that the General Account which amounts to \$29,396.39. Road Voucher no. 10- \$38,544.05 and October Welfare \$465.38, be allowed for payment. Carried.

Moved by Jim Elder seconded by Jim Harrison that by-law no. 71.21 for the purpose of authorizing sale of land, passed the required three readings, was carried without amendment, was signed and sealed by the seal of the Corporation and engrossed in the By-Law Book. Carried.

Moved by Jim Harrison seconded by Jim Elder that Council adjourn from the Nov. 3 meeting at 10:30 p.m. until Dec. 8, 1971 at 9:30 a.m. unless called sooner by the Reeve.

I'm my own 'girl Friday.'

I like to do things myself. Even to looking up numbers in the phone book. They're in such neat alphabetical order, it only takes a second. Then I jot the numbers down in my little "Personal Directory" that Bell gave me.

If you haven't already got your pocket-sized Personal Directory — or would like an extra one — please call us, and we'll send you a copy, free.

Bell Canada

NOW HEAR THIS

by Lorna Rogers

The CBC marked 35 years of broadcasting on November 2. The 15 cent stamp designed to commemorate the 25th anniversary of Radio Canada International, formerly known as the International Service of the CBC won a gold medal at the third annual contest of the International Typographic Composition Association held in Chicago. The stamp, issued earlier this year, had as its theme, 'Speaking to the World'. It was designed by Burton Kramer of Toronto who was presented with his award November 4 at a special luncheon.

The worldwide membership of the Radio Canada Shortwave Club provides membership of the unique opportunity to exchange ideas and DX information with DXers in over 100 countries. For membership information, write to; Secretary, Radio Canada Shortwave Club, Box 6000, Montreal 101.

The National Arts Centre Orchestra and guest pianist-

conductor Geza Anda are heard in two Mozart piano concertos on Wednesday, Nov. 24. Early last year, Radio Canada International, the National Arts Centre and RCA Victor signed a contract which put recordings by the N.A.C. Orchestra on the commercial market and in radio stations around the world.

Trumpeter Guido Basso is one of Canada's busiest and most talented musicians. In the last decade he's been musical director for several radio and TV shows- latterly for two and a half years on CBC Radio's After Noon and currently on CBC-TV's In The Mood, Thursdays at 9 p.m. On November 12 he will represent Canada in a public jazz concert organized annually by the European Broadcasting Union. It will be broadcast live over the member networks of the EBU. This year the CBC became an associate member of the EBU, and Guido was chosen to blow the horn for Canada.

As well as being a fine musician, Guido speaks English, French and Italian. These assets, combined with his natural charm, should make him an excellent ambassador for Canada. The Montreal-born trumpeter will be in the company of leading jazz musicians from Germany, Britain, Belgium, Yugoslavia, Norway, France, Sweden, Switzerland, Finland and the host country, Denmark.

The concert will be broadcast on CBC Radio as soon as it becomes available in North America, sometime early in the new year. Guido has made several CBC broadcast recordings, including Christmas Today (available commercially on RCA Victor), two extended play 45 recordings backing singer Vanda King, and Love Talk, an LP soon to be available in record stores on the new Kanata label.

RED CROSS
IS ALWAYS THERE
WITH YOUR HELP

Interested in Earning More Money ?

If you are interested in working with high class livestock and you have a farm background, you may be eligible for special training at Kemptville College of Agricultural Technology under an ARDA — Canada Manpower Retraining Program. Successful graduates secure jobs in Southern Ontario that pay from \$300.00 to \$400.00 a month plus many other benefits.

Contact your closest office of the Ontario Department of Agriculture and Food for full information.

IS YOUR INSURANCE COMPLICATED?

Not to us! We have a trained way of explaining in simple terms just where you stand on your general insurance. As local businessmen we understand your needs for protection of home, car, cottage and boats from fire and burglary, as well as special perils. Because of the rapid pace of business today it's difficult to keep up with new and better services. With this in mind, we have folders explaining many features and benefits on specific types of protection. Give us a call and we'll be

along to see you and uncomplimentate your General Insurance. You can depend on us, we are Independent Insurance Agents.
